Sliding Fee Scale Application Form

Ohio North East Health Systems, Inc. offers a SLIDING FEE SCALE to its patients for discounted charges based on family household size and income. Funding for the Sliding Fee Scale is made available through a grant from the Department of Health and Human Services. The discount only applies to services received at this clinic and not those which are purchased from outside facilities including laboratory testing, drugs, x-ray interpretations by a consulting radiologist, and/or other such services.

For eligibility consideration, the application form and proof of income must be submitted within two weeks after service date and annually thereafter or earlier in circumstances when income changes. Proof of income documentation will be reviewed for authenticity and accuracy. Falsifying documents may be subject to legal penalty**. If this form is not filled out completely and returned with proof of income it will not be processed.**
